

## Application Guidelines for the 8<sup>h</sup> Nagasaki University Women Researchers Awards

### 1. Aim & Objectives

Through the presentation of the awards by the President to young women researchers who have achieved outstanding research results, Nagasaki University encourages the women researchers themselves and those many young women researchers who will follow in their footsteps, and further raises their volition to conduct research, thereby contributing to both the fostering of excellent women researchers who will lead academic research in the future and the encouragement of gender equity. For this purpose, the University has established the Nagasaki University Women Researchers Awards and stipulates the requirements regarding the awards in these guideline.

### 2. Scope

Those eligible to receive the awards are women researchers affiliated to the university aged 50 or younger (younger than 50 as of April 1, 2023) with the status of assistant professor(Excluding professors) or above, who have contributed to activities promoting participation in gender equality or who maintain a perspective of its promotion, and in line with the following award categories meet the stipulations therein. Note that eligibility is restricted to those who are and will be affiliated to the university from the time of application until March 31, 2025.

- (1) Excellent Women Researchers Award (hereinafter “the researchers award”): those who are deemed to have achieved outstanding research results in Japan or overseas;
- (2) Excellent Women Incentive Award (hereinafter “the incentive award”): those who are deemed to have the potential to achieve outstanding research results in Japan or overseas

### 3. Awards

- (1) Researchers award: honorary certificate and research funds
- (2) Incentive award: honorary certificate and research funds

The awards will not be given in the event that there are no suitable candidates. Note that the research funding will be provided in the academic year after the award.

### 4. How to apply for the awards

Complete the required parts of the prescribed form and submit the following required documents in a PDF format. Those applying are requested to complete the application in person.

- (1) Application form (Form 1)
